ACKNOWLEDGEMENTS

We are extremely grateful to all those who contributed, in a number of ways, to the production of this volume of the Yearbook. First, we welcome the addition of Dr. Eilionoir Flynn as co-editor, who came aboard this year to help with the task of administration of the Yearbook. We would like to gratefully acknowledge the efforts of Mr Constantin Cojocariu in drafting the Council of Europe section, and the efforts of both Mr Colm O’Cinneide (University College London) and Miss Niamh Casey (Secretariat, Committee on the European Social Charter, Council of Europe) with regard to the section on the European Social Charter. We would like to thank the numerous policy and communication officers at the various NGOs and inter-governmental organizations who reviewed the sections on their respective organization’s efforts. Similarly, we would like to thank the various policy and communication officers within the European Commission’s Directorates-General for their help and assistance with the review of their respective bodies’ work. We would also like to thank Mr Conor Newman (NUI Galway) for his work on compiling the remaining sections of the Yearbook and Mr Stefan van Uden (student assistant, Maastricht University), who helped to ensure that the papers were compliant with the Yearbook’s style sheet. Lastly, we express our thanks to the authors who contributed articles to this volume, to the anonymous peer reviewers who helped ensure the quality of articles featured, and to the members of the editorial and advisory boards for their work.
