## ACKNOWLEDGEMENTS

In editing this forty-seventh publication of the International Penal and Penitentiary Foundation I am delighted to have been joined by professor Dr Manon Jendly. She joins me in offering grateful thanks first of all to all contributors to this book, for the energy they have put into their contributions. This volume is the result of the four-day IPPF colloquium that was held in Helsinki, Finland, in June 2016. In this respect I am also indebted to professor Dr Tapio Lappi-Seppälä, Justice Ilkka Rautio and Director General Esa Vesterbacka, and their colleagues from Finland, for their support and enthusiasm in organizing the colloquium. Ms Inge de Wit deserves great appreciation for her assistance in organizing and editing the book, as does Mrs Fiorina Argante, MA, for supporting me with the enormous amount of correspondence that this project has entailed.
